#### SUPPLEMENTARY INFORMATION:

##### I. Background

The NIST Blue Ribbon Commission on Management and Safety – II is established to assess NIST's progress in addressing the findings of the first NIST Blue Ribbon Commission and identify additional opportunities to strengthen management and safety at NIST. In particular, the Commission will assess NIST's progress in:

Making safety a core value at NIST;

Integrating safety with the conduct of operations in a meaningful way across organizational units;

Benchmarking safety protocols and performance against similar organizations with strong safety cultures;

Addressing a serious lack of resources for safety; and

Engaging a staff that is eager, willing, and ready to embrace a safety culture.

The Commission will submit a written report on its findings.

## II. Structure

The Director shall appoint the members of the Commission. The Commission will have eight members. Each member will be either a member of the first NIST Blue Ribbon Commission or a current member of the NIST Visiting Committee on Advanced Technology. Each member will be a qualified expert with public or private sector experience in one or more of the following areas: (a) Management and organizational structure; (b) Training and human resources operations; (c) Laboratory management and safety; (d) Hazardous materials safety; (e) Emergency medical response; (f) Environmental safety; (g) Environmental remediation; and (h) Security for hazardous materials.

Each member will serve for the duration of the Commission. Members shall serve as Special Government Employees (SGEs) as such employees are defined in 18 U.S.C. 202(a).

### III. Compensation

Members shall receive per diem and travel expenses as authorized by 5 U.S.C. 5703, as amended, for persons employed intermittently in the Government service. No other compensation shall be provided.

### IV. Notice of Open Meetings

The meeting being held on October 12, 2010 will be held at the National Institute of Standards and Technology, Administrative Building, Gaithersburg, Maryland, 20899.

The meeting being held on October 20, 2010 will be held at the National Institute of Standards and Technology, Building 1, Room 1103/1105, Boulder, Colorado.

Agendas for the meeting will be posted on the agency's website,
