

Graduate Student Measurement Science and Engineering (GMSE) Fellowship Program

National Institute of Standards and Technology (NIST)

The GMSE Fellowship Program will provide doctoral–level graduate students with opportunities and financial assistance to obtain laboratory experience within the NIST laboratories in the science, Technology, Engineering and mathematics (STEM) disciplines.

At this time, NIST is soliciting proposals from eligible applicants to administer this program.

Please see the [announcement of Federal Funding Opportunity](#).

Please note that we are not accepting applications from graduate students, only proposals to administer this program.
