Dear NIST CSF,

I am busy mapping NIST SP 800-53 Rev 5 controls to NIST CSF 2.0.
I spotted a small error on PR.PT-04 which notes that this has been dropped and moved to PR.AA-07 (SEVEN). This is incorrect as the mapping that correlates is in PR.AA-06 (SIX).

Public Draft

The NIST Cybersecurity Framework 2.0

Category	Subcategory
	<i>PR.PT-03: Dropped (moved to PR.PS-01)</i>
	<i>PR.PT-04: Dropped (moved to PR.AA-07, PR.IR-01)</i>
	<i>PR.PT-05: Dropped (moved to PR.IR-04)</i>

Kind Regards,
Andy
