10 Print Capture Scanner & Software Challenge

Tell us how you are going to produce 10print flat fingerprint scanners and software that will

- **Meet the size requirements**
- **Meet the mobility and cabling requirements**
- **Perform all operations, from first hand down to all 10 fingers captured, segmented and quality checked in 15 seconds,**
- **Meet or exceed quality requirements**
- **Comply with all relevant standards**

And be generally available in the volumes we need to deploy within on year from today.

MARKET RESEARCH PROCESS AND TIMELINE

Shelby Buford, Jr.

**DHS/Office of Procurement Operations
US-VISIT**

Request for Information Timelines

- **The Request for Information (RFI) was published in the Federal Business Opportunities (FBO) on Thursday, September 29.**
- **One amendment to the RFI, amending the date and time of the workshop to October 14, 9:30am through 12:00pm, was posted in FBO on Friday, September 30.**
- **Questions to the requirements of the RFI were due no later than 12:00pm, October 10. (The questions and answers have been provided with the agenda).**

Request for Information Timelines

- **Interested firms should submit a white paper, not to exceed 5 pages to the Contracting Officer (Shelby Buford, Jr.) by noon EST, October 27. Submissions are to be in both hardcopy (three copies) and in electronic form. (To ensure proper handling of sensitive corporate information, all proprietary information should be appropriately labeled). Email submissions will not be accepted.**
- **One-on-One meetings with selected firms may follow the review of the five page white paper. The purpose of these meetings will be to gain further insight into the state of the market and how firms intend on meeting the new requirements within the necessary time frame.**
- **All firms are reminded that the Government is not under any obligation to take any further action with any party as result of this Market Research Effort.**

Questions & Clarifications

- **Questions and clarifications to today's workshop should be submitted by the following:**
 1. **Place the 3X5 card (s) that were provided to you in the box located at the registration table with your questions and clarifications. Please provide your name, company, address, phone number and e-mail address on the card.**
 2. **You can submit your questions and clarifications via email by 4:00 pm EST on Tuesday, October 18. Email submissions should go to Myrtle Miller at Myrtle.V.Miller@dhs.gov.**
- **All questions and answers will be provided to each workshop attendee by COB Friday, October 21.**
