

Federal Interagency Chemistry Representatives (FICR) Meeting 2013

A Federal Green Chemistry Forum

NIST Center for Neutron Research, Gaithersburg, Maryland, USA

Tuesday, June 4, 2013

8:00 – 8:30 am

Registration/Check-in; Coffee

Chair: Marlon Walker, NIST

<p>8:30 – 10:30 am</p> <p>1. Opening Plenary Session</p> <p>Federal Context</p>	<p align="center">NIST Perspectives</p>	
	8:30 am	<p>Welcome: <i>Dianne Poster, NIST</i></p>
	8:35 am	<p>Opening Remarks: NIST Perspectives <i>Richard Cavanagh</i> Director, NIST Office of Special Programs</p>
	8:50 am	<p>Keynote: Neutrons at NIST: Past, Present, and Future <i>Dan Neumann</i> NIST Center for Neutron Research</p>
	<p align="center">Meeting Perspectives</p>	
	9:10 am	<p>US Perspectives on Green Chemistry <i>Christopher Weis, NIEHS</i></p> <p><i>Co-Chair</i> National Science and Technology Council Subcommittee for Toxics and Risk Interagency Working Group on Green Chemistry</p>
	9:30 am	<p>US Perspectives on Chemicals and Trade <i>Blandine Trouille</i> International Trade Administration, Chemicals</p>
	9:50 am	<p>Perspectives on US-EU Cooperation and Emerging Technologies <i>Lori Cooper</i> International Trade Administration Office of the European Union</p>

Federal Interagency Chemistry Representatives (FICR) Meeting 2013

A Federal Green Chemistry Forum

NIST Center for Neutron Research, Gaithersburg, Maryland, USA

Tuesday, June 4, 2013

	10:10	Advanced Research Projects Agency - Energy <i>Eric Rohlifing, Acting Deputy Director for Technology</i> <i>Advanced Research Projects Agency - Energy, DOE</i>
10:30 – 10:45 am	Break (coffee available)	
Chair: Carlos Gonzalez, NIST		
2. Late Morning Plenary Session Federal Perspectives	10:50 am	Green Chemistry at NIST <i>Carlos Gonzalez, Chief</i> <i>NIST Chemical Sciences Division</i>
	11:10 am	Green Chemistry Program at EPA <i>Michael Gonzalez, EPA</i>
	11:30 am	NASA <i>Linda Wennerberg,</i> <i>Environmental Management Division</i> <i>NASA Headquarters</i>
	11:55 pm	DOE <i>John Miller, Acting Director, Chemical Sciences</i> <i>Geosciences and Biosciences Division</i> <i>Basic Energy Sciences, DOE</i>
	12:15 pm	<i>Q&A Session</i>

Federal Interagency Chemistry Representatives (FICR) Meeting 2013

A Federal Green Chemistry Forum

NIST Center for Neutron Research, Gaithersburg, Maryland, USA

Tuesday, June 4, 2013

12:30 – 1:30 pm	Lunch (on-site) Renewable Energy and Climate Science: International Perspectives <i>Hratch Semerjian, Visiting Professor, University of Maryland</i>	
Chair: Dianne Poster, NIST		
1:30 – 2:00 pm 3. Afternoon Plenary Industry Perspectives	1:30 pm	Keynote: American Chemical Society (ACS) & Green Chemistry Institute (GCI) <i>David Constable, Director, ACS GCI</i>
	1:50 pm	Q&A Session
Chair: Hratch Semerjian <i>Visiting Professor, University of Maryland</i>		
2:00 – 3:30 pm 4. Closing Panel Looking Ahead: Challenges and Trends in Interdisciplinary Issues with International Implications	Renewable Energy, Forensics Chemistry, Chemicals and Health and Safety, Climate Science Panelists: <i>Richard Cavanagh, NIST</i> <i>Michael Gonzalez, EPA</i> <i>John Miller, DOE</i> <i>Tanja Pietrass, NSF</i> <i>Blandine Trouille, ITA</i> <i>Chris Weiss, NIEHS, IWG Co-Chair</i> <i>Linda Wennerberg, NASA HQ</i>	

Federal Interagency Chemistry Representatives (FICR) Meeting 2013

A Federal Green Chemistry Forum

NIST Center for Neutron Research, Gaithersburg, Maryland, USA

Tuesday, June 4, 2013

3:30 pm	Wrap Up	
3:40 pm	Move to optional tour functions <i>(Coffee available)</i>	
Tour Stops*		
4:00 – 5:00 pm	Group A	<u>NIST Center for Neutron Research</u>
Concurrent NIST Tours	Group B	<u>NIST Center for Nanoscale Science and Technology</u>
5:00 pm	Depart	

* Each stop is ~ 30 min, participants may sign up at the registrar's table the day of the meeting.
