WHAT ATTENDEES ARE SAYING

"I think the **demonstrations** allowed for the best **exchange of ideas** between myself (a public safety professional) and the awardees."

"I greatly enjoyed the level of **cutting edge technology** discussed in the talks and the **opportunity to speak face-to-face** with people involved in the **research**."

"Amazing collection of **innovators, academia, industry, and gov't researchers**."

"I got the most benefit from the **keynote speakers** and **panel discussions** held every morning."

ATTENDEE RECOMMENDATIONS

WE IMPROVE EACH YEAR
THANKS TO **YOUR** FEEDBACK

2018

- Included networking hour into the agenda

2019

- Increased proximity of meeting rooms
- Expanded viewing times for demos
- Featured technicality level per session

2020

- RECOMMENDATIONS:**
- Additional time engaging with demos
 - Continue to involve public safety in presentations
 - Repeat successful features from 2019

WHAT DOES PSCR MEAN TO YOU?
