

Agenda – September 2015 NIST/DOE Workshop on Enabling Technologies for Next Generation Electric Machines

8:30am – Introduction and Background

1. Al Hefner
2. Zia Rahman

9:00am – Low-Loss Soft Magnetics Panel (Pawel Gradzki):

1. Pawel Gradzki
2. Jun Cui
3. Mike McHenry
4. Paul Ohodnicki
5. 20 minute discussion period

10:15am – Break

10:35am – Superconducting Machines Panel (Zia Rahman):

1. Mike Tomsic
2. Qiang Li
3. Bill Magee
4. Goran Majkic
5. 25 minute discussion period

noon – Lunch

1pm – High Performance Conductors Panel (Scott Coombe):

1. Matteo Pasqual
2. Quanfang Chen
3. David Forrest
4. 20 minute discussion period

2:05pm – Other Enabling Technologies Panel (Steve Boyd):

1. Leslie Bromberg
2. Ayman El-Refai
3. Jeffrey Sullivan
4. 20 minute discussion period

3:10pm – Break

3:40pm – **Discussion of Key Questions and Findings of the Workshop (Ron Wolk, Al Hefner)**

5pm – Adjourned
