1	Roselie A. Bright, ScD	Major	P15, L403-404	This item will support the recommendation elsewhere in the draft to educate internal talent.	I suggest adding: "iv. Develop and provide a clear career development and promotion path that values and encourages participation in and expertise in standards and standards development."
2	Roselie A. Bright, ScD	Editorial	P4, L37		A period should be added to the end of the sentence.
3	Roselie A. Bright, ScD	Editorial	P7, L157-159		I suggest inserting a comma after "widespread use".
4	Roselie A. Bright, ScD	Editorial	P9, L186		I suggest replacing "quality, utility and access of data sets" with "quality, utility and accessibility of data sets".
5	Roselie A. Bright, ScD	Editorial	footnotes		Up until page 10, footnotes that were citations only, as opposed to sentences, did not end with a period. However, on page 10, footnotes 16 and 19 end with periods and footnotes 17 and 18 do not. They should be consistent throughout the document.
6	Roselie A. Bright, ScD	Editorial	Footnote 21		I suggest removing the parentheses.
7	Roselie A. Bright, ScD	Editorial	P13, L330-336		The reference cited twice should be a footnote.
8	Roselie A. Bright, ScD	Editorial	P15, L403-404		I suggest adding: "iv. Develop and provide a clear career development and promotion path that values and encourages participation in and expertise in standards and standards development."
9	Roselie A. Bright, ScD	Editorial	P15, L414-415		Consider replacing one of the instances of "considering" with a synonym, such as "evaluating" or "accounting for".
10	Roselie A. Bright, ScD	Editorial	Footnote 24		Errors in the title need to be corrected.
11	Roselie A. Bright, ScD	Editorial	P17, L480		Delete the second period.
