**COLORADO BALLOT  
QUESTIONS**

**Amendment 36**

Shall there be an amendment to the Colorado constitution concerning popular proportional selection of presidential electors, and in connection therewith, creating procedures for allocating Colorado's electoral votes for president and vice-president of the United States, based on the proportion of ballots that are cast in this state for each presidential ticket, making the terms of the proposed amendment effective so that popular proportional selection of presidential electors applies to the 2004 general election, setting forth procedures and timelines that govern the certification of election results and the potential recounting of votes in elections for presidential electors and in the election on this proposed amendment, granting the Colorado supreme court original jurisdiction for the adjudication of all contests concerning presidential electors and requiring that such matters be heard and decided on an expedited basis, and authorizing the general assembly to enact legislation to change the manner of selecting presidential electors or any of the procedures contained in this amendment?

YES ←    
NO ←

**Amendment 37**

Shall there be an amendment to the Colorado revised statutes concerning renewable energy standards for large providers of retail electric service, and, in connection therewith, defining eligible renewable energy resources to include solar, wind, geothermal, biomass, small hydroelectricity, and hydrogen fuel cells, requiring that a percentage of retail electricity sales be derived from renewable sources, beginning with 3% in the year 2007 and increasing to 10% by 2015, requiring utilities to offer customers a rebate of \$2.00 per watt and other incentives for solar electric generation, providing incentives for utilities to invest in renewable energy resources that provide net economic benefits to customers, limiting the retail rate impact of renewable energy resources to 50 cents per month for residential customers, requiring public utilities commission rules to establish major aspects of the measure, prohibiting utilities from using condemnation or eminent domain to acquire land for generating facilities used to meet the standards, requiring utilities with requirements contracts to address shortfalls from the standards, and specifying election procedures by which the customers of a utility may opt out of the requirements of this amendment?

YES ←    
NO ←

**Referendum A**

Amendments to sections 13, 14, and 15 of article XII and section 22 of article IV of the constitution of the state of Colorado, concerning reform of the state civil service system, and, in connection therewith, modifying the merit principle, exempting certain positions from the system, modifying the number of eligible applicants from which an appointment is to be made, modifying the residency requirement, expanding the duration of temporary employment, specifying the rule-making authority of the state personnel board and the state personnel director, allowing the general assembly to reallocate the rule-making authority of the state personnel board and the state personnel director, authorizing a modification to the veterans' preference, and making conforming amendments

YES ←    
NO ←

**Referendum B**

Amendments to articles IV, VII, and IX of the constitution of the state of Colorado, concerning the elimination of obsolete provisions of the state constitution.

YES ←    
NO ←
