

## **Erik Edlund**

### **Senior Executive Advisor, Corporate Executive Board Government Practice**

Erik Edlund is a Senior Executive Advisor in CEB's Government Practice. He advises federal government finance teams on strategic topics such as insight generation and analytics, finance talent development, shared services migration, finance transformation, and enterprise risk management. Prior to working with government clients, Erik spent 6 years at CEB supporting private sector procurement and finance executives across various strategic initiatives. Erik has an MBA in Finance from the Thunderbird School of Global Management.
