(NAME)

Title: Engaging Parents and Mentors to Help Youth Explore Cybersecurity Careers

Date(s): November 20, 2024 CEU Hours Earned: 1 hour

Sponsor(s): National Institute of Standards and Technology (NIST)

Explanation of Event: This webinar during Family Engagement Month aims to equip individuals and organizations who can help empower parents, guardians, and mentors to influence the interests of youths in pursuing careers in STEM-related fields, including cybersecurity. Family involvement in a child's development and education is one of the biggest predictors of lifelong health and success. Participants will learn about organizations and resources that can help influence career choices of younger generation. Webinar attendees will hear presentations from:

- **Rachel Zimmerman**, Senior Director, CyberPatriot Business Operations, Air & Space Forces Association
- **Loyce Pailen**, Senior Director, Center for Security Studies, University of Maryland Global Campus (UMGC)
- **Kristina Guy**, Campus Counselor, Western Maricopa Education Center
- **Joseph Billings**, President, Power Homeschool, LLC
