

Safety Rights and Responsibilities

NIST S 7101.01

Document Approval Date: 04/02/2024

Effective Date¹: 06/25/2014

1. PURPOSE

The purpose of this suborder is to delineate the key safety rights of all NIST employees and covered associates (**hereafter referred to as “NIST staff”**). NIST staff’s understanding and exercising those rights, in the context of carrying out their safety responsibilities, is critical toward making occupational safety and health an integral core value and vital part of the NIST culture.

2. BACKGROUND

- a. This suborder delineates the key safety rights of all NIST staff and the procedures required by 29 Code of Federal Regulation (CFR) 1960.46 to “assure that no employee is subject to restraint, interference, coercion, discrimination, or reprisal for filing a report of an unsafe or unhealthful working condition, or other participation in agency occupational safety and health program activities, or because of the exercise by such employee on behalf of himself or herself or others of any right afforded by section 19 of the Act (*i.e.*, the Occupational Safety and Health Act of 1970), Executive Order 12196, or this part (*i.e.*, 29 CFR 1960).”²
- b. In addition to having the safety rights delineated herein, NIST staff also have the safety responsibilities delineated in NIST O 7100.00 (see Section 9 of this suborder).

3. APPLICABILITY

The provisions of this suborder apply to all NIST staff.

71 **6. SAFETY RIGHTS**

- 72 a. General
73
74 (1) All NIST staff are entitled to a workplace free from recognized hazards causing or likely
75 to cause death or serious physical harm.

76 b. Specific

77 To help assure a safe and healthful workplace, all NIST staff have the following rights:

78

79 (1) To receive information on the NIST safety requirements and Occupational Safety and
80 Health Administration (OSHA) standards applicable to their jobs;

81

82 (2) To comply with, and obtain the benefits of, OSHA standards and other requirements
83 applicable to their own actions or conduct³;

84

85 (3) To receive information and training about the hazards to which they could be exposed in
86 carrying out their assigned duties and methods to prevent harm;

87

88 (4) To receive in a timely manner copies of the results of testing and monitoring done to
89 identify and assess hazards in their work areas (please see NIST S 7101.29);

90

91 (5) To observe the monitoring and measuring of toxic substances to which they could be
92 exposed and to have access to any records of their exposure (please see NIST S
93 7101.29);

94

95 (6) To obtain copies of their NIST medical records;

96

97 (7) To obtain copies of OSHA-required workplace injury and illness records, *i.e.*, NIST's
98 OSHA Form 300 log;

99

100 (8) To communicate orally or in writing with their supervisors or managers about
101 occupational safety or health matters, *e.g.*, to ask questions, express safety concerns,
102 report work-related injuries or illnesses, or request safety data sheets and other
103 information to which they are entitled;

104

105 (9) To refuse to perform an assigned task when they (please see NIST S 7101.03)⁴:

106

107 (a) Have a reasonable belief that performing the task would subject them to death or
108 serious injury;⁵

109

110 (b) Refuse in good faith (*i.e.*, genuinely believe that such a danger exists);

111

³ For example, employees have the right to employer-provided PPE required by OSHA standards (see NIST S 7101.21) and to engage in work practices required by OSHA standards.

⁴ See 29 CFR 1977.12(b).

⁵ A "reasonable belief" is a belief with which a reasonable person would agree.

- 112 (c) Have requested that their supervisors or managers eliminate the danger but they have
113 failed to do so; and
114
- 115 (d) Have a reasonable belief, due to the urgency of the danger, that there is insufficient
116 time to eliminate it through other channels, such as requesting an inspection by
117 Office of Safety, Health, and Environment (OSHE) or OSHA;
118
- 119 (10) To report UWCs to the Chief Safety Officer (CSO) or OSHA to request inspections by
120 OSHE or OSHA, respectively (please see NIST S 7101.02).
121
- 122 (a) In reporting UWCs to the CSO, to have their names not disclosed to anyone outside
123 of OSHE other than an Authorized Representative of the Secretary of Labor, or as
124 otherwise required by law.
125
- 126 (b) In reporting UWCs to OSHA, to have their names not disclosed to anyone other than
127 an Authorized Representative of the Secretary of Labor, or as otherwise required by
128 law.
129
- 130 (c) Before reporting UWCs to the CSO, NIST staff should, whenever possible, abate the
131 dangers themselves or work with their management to abate the dangers, as this will
132 generally result in prompt abatement of UWCs.
133
- 134 (d) Before reporting UWCs to OSHA, NIST staff should, whenever possible, abate the
135 dangers themselves, work with their management to abate the dangers, or report the
136 dangers to the CSO to request inspections by OSHE, as this will generally result in
137 prompt abatement of UWCs.
138
- 139 (11) To exercise their safety rights without restraint, interference, coercion, discrimination, or
140 reprisal; and
141
- 142 (12) To file a grievance in accordance with the appropriate procedure (*i.e.*, administrative or
143 negotiated) or to file a complaint with the Office of the Special Counsel if they believe
144 they have been subject to restraint, interference, coercion, discrimination, or reprisal.^{6, 7}
145

⁶ Protection from discrimination in this context means that an employer cannot retaliate by taking “adverse action” against workers, such as firing or laying off; blacklisting; demoting; denying overtime or promotion; disciplining; denying benefits; failing to hire or rehire; intimidation; making threats; reassignment affecting prospects for promotion; or reducing pay or hours. See [OSHA Publication 3021-09R 2011](#). The protections take the form of administrative or whistleblower protections as opposed to civil-rights protections.

⁷ Contact the Office of Human Resources Management to file a grievance; call 1-800-872-9855 to file a complaint with the Office of Special Counsel.
