To whom it may concern,

Attached, please find a response to the Request for Information regarding the current, planned, or recommended education and training programs aimed at strengthening the U.S. cybersecurity workforce. This is being submitted on behalf of Thomas G. Blomberg, Dean and Sheldon L. Messinger, Professor of Criminology, from Florida State University's College of Criminology and Criminal Justice. The information was developed by Katherine Ray, Ph.D. graduate student. We hope that the information contained in the response is useful to the National Institute of Standards and Technology. We look forward to participating on any subsequent requests, workshops, or tasks to assist the NIST in reducing the gap in knowledge regarding current cybersecurity education and training. Please feel free to contact us if you have any questions about the response.

Sincerely,

Katherine Ray
