

Detail Announcement
Unclassified Duties – NEPA Analyst - CHIPS Program Office

National Institute of Standards and Technology
U.S. Department of Commerce Summary

Summary

The CHIPS Program Office (CPO) has a detail opportunity for two NEPA Analysts supporting the CPO Environmental Division.

Your work in this office will help to support National Environmental Policy Act (NEPA) implementation for CHIPS funded projects.

Information

OU/Division: CHIPS Program Office

Position Title, Career Path-Series-Band (s): Unclassified Duties – NEPA Analyst– CHIPS Program Office

Number of Openings: 2

Commitment: Full-Time

Detail Length: Not-to-exceed 120 days (with the potential of extensions in 60-day increments)

Location: Washington, DC

Who May Apply: All federal employees at the ZA-III level (GS 12-13) or above

Major Duties

The CHIPS Environmental Division has a detail opportunity for a NEPA Analyst.

Duties include:

- Serving as a subject matter expertise on the National Environmental Policy Act, Endangered Species Act, and other relevant laws and executive orders.
- Assisting in reviewing and preparing NEPA documents, including Environmental Assessments and Environmental Impact Statements.
- Interacting with CHIPS applicants to provide feedback on prepared environmental documentation and educating CHIPS applicants on NEPA.
- Preparing materials that will guide the CHIPS Investment Division on financial incentives associated with applicants based on NEPA evaluations.
- Tracking schedules for NEPA and related environmental reviews.
- Drafting NEPA training and presentation materials.

Requirements

To qualify for this detail, you must meet the following requirements:

- Have experience preparing or reviewing and commenting on environmental assessments and environmental impact statements.
- Have experience making determinations on the appropriate level of NEPA review a proposed project would require.
- Knowledge and education in one of the following subject areas: environmental policy, environmental engineering, chemical engineering, biology, archaeology/historic preservation, or a similar subject matter.

How to Apply

Interested Federal employees should email their Curriculum Vitae or resume to David Frenkel at David.Frenkel@chips.gov by Friday, August 9, 2024. Resumes submitted electronically **must** be encrypted to protect personally identifiable information.

Note: If you are selected for the detail, **you must have supervisory approval.**

Questions

If you have questions about this detail opportunity, please contact David Frenkel at David.Frenkel@chips.gov.
