

Dr. Ron Ross and Associates:

With regards to:

<https://www.federalregister.gov/articles/2013/02/26/2013-04413/developing-a-framework-to-improve-critical-infrastructure-cybersecurity#addresses>

Some of the authors of the attached document are still around. You might find it valuable to invite a group of them to discuss your vision and requirements on the basis of their experience.
