Veteran Resources

Information on veteran career preparation, educational topics, and links to federal and non-profit programs.

JOIN THE NICE COMMUNITY

- Share best practices and network
- Attend webinars and conferences
- Build your own career and skills

www.nist.gov/nice/community

The **NICE Community Coordinating Council** influences concept development, designs strategies, and pursues actions that help implement the NICE Strategic Plan. Working Groups and Communities of Interest include:

WORKING GROUPS

- Talent Management
- Career Discovery
- Transform Learning

COMMUNITIES OF INTEREST

- Apprenticeships
- Career Ambassadors
- Competitions
- Diversity and Inclusion
- K12 Cybersecurity
- NICE Framework

Federal government partners convene for consultation, communication, and coordination of programs, projects, and initiatives in the **NICE Interagency Coordinating Council**.

RAMPS or Regional Alliances and Multistakeholder Partnerships to Stimulate, are grants-funded community based initiatives.

NICE Webinars feature speakers who engage with learners, industry, and government on key cybersecurity workforce issues.

NICE EVENTS

The annual **NICE Conference and Expo** convenes thought leaders from education, government, industry, and nonprofits. Features engaging pre-conference workshops to develop professional knowledge and skills.

www.niceconference.org

The annual **NICE K12 Cybersecurity Education Conference** is where cybersecurity educators for today's K12 youth come together.

www.k12cybersecurityconference.org

Celebrate careers in cybersecurity during **Cybersecurity Career Week**, held the third week of October. Find resources and ideas to promote cybersecurity careers.

www.nist.gov/nice/ccw

The **Federal Information Security Educators (FISSEA) Conference and Forums** elevate issues and support learning that assists Federal agencies in strengthening their employee cybersecurity awareness and training programs.

www.nist.gov/fissea

NICE STRATEGIC PLAN

(2021-2025)

- Promote the Discovery of **Cybersecurity Careers** and Multiple Pathways
- **Transform Learning** to Build and Sustain a Diverse and Skilled Workforce
- **Modernize the Talent Management** Process to Address Cybersecurity Skills Gaps
- Expand Use of the **Workforce Framework** for Cybersecurity (NICE Framework)
- **Drive Research** on Effective Practices for Cybersecurity Workforce Development

MISSION

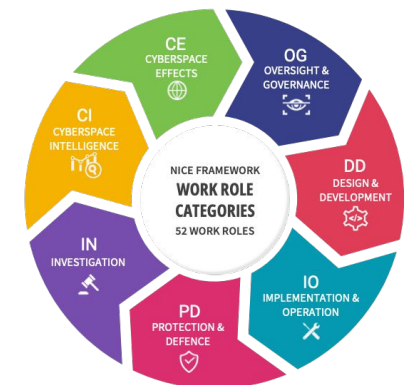

To energize, promote, and coordinate a robust community working together to advance an integrated ecosystem of cybersecurity education, training, and workforce development.

NICE FRAMEWORK

The **NICE Workforce Framework for Cybersecurity (NICE Framework)** establishes a common language to describe and share information about cybersecurity work. You can use the NICE Framework in many ways:

- Career Discovery and Development
- Education and Training
- Workforce Planning

NICE Framework Resource Center
