Check all of the following:

| Organization | Action | Results |
|---|---|---------|
| 1) ATP | Check http://jazz.nist.gov/atpcf/prjbriefs/listmaker.cfm , and do the following: a. Enter donor name. b. Check off Project Duration and Participant Company Name. c. Select Query Database. If the project is ongoing, we may not accept the AIK. | |
| 2) Database of Contracts and Procurements | Contact Susan Brinkman by e-mail or phone x6321 to check the contracts and procurements database. Contact Christopher Hunton by email or phone x5718 to check the grants and cooperative agreements database. If the donor is the recipient of an open contract or procurement or an active grant or cooperative agreement, NIST cannot accept AIK from that donor. | |
| 3) CRADAs and Licenses | Email otp@nist.gov or phone x3084 to check for active CRADAs or licenses. If the donor is a partner in an active CRADA with NIST, or holds a license to a NIST invention, NIST cannot accept AIK from that donor. | |
