NATIONAL INITIATIVE FOR CYBERSECURITY EDUCATION

Using Registered Apprenticeships to Source Mid-Career Roles in Cybersecurity  
November 14, 2022

# U.S. Department of Commerce Workforce Development

- <https://www.commerce.gov/issues/workforce-development>
- The Department of Commerce's mission is to create the conditions for economic growth and opportunity for all communities. Essential to that mission is the need to build **sustainable, employer-driven career pathways** to meet employers' need for talent and **to connect Americans to quality jobs.**

# U.S. Department of Commerce Workforce Development

Highly effective workforce investments include programs that are:

- **Employer led**
- Focus on **diversity, equity, and inclusion**
- Include **earn and learn models like Registered Apprenticeships**

# NICE Strategic Plan

**NICE**  
NATIONAL INITIATIVE FOR  
CYBERSECURITY EDUCATION

**Strategic Plan**  
2021-2025

**Goal #1: Promote the Discovery of Cybersecurity Careers and Multiple Pathways**

**Goal #3: Modernize the Talent Management Process to Address Cybersecurity Skills Gaps**

## CYBERSECURITY APPRENTICESHIP SPRINT

### Get Ready!

Let us know if you're ready to explore Registered Apprenticeship by selecting the "Express Interest" button below.

DAYS HRS MINS SECS

### Explore How Registered Apprenticeship Can Meet Your Cybersecurity Workforce Needs

On July 19th, the U.S. Department of Labor, in partnership with the White House and the U.S. Department of Commerce, **announced** a 120-Day Cybersecurity Apprenticeship Sprint, to promote the Registered Apprenticeship model as a solution for numerous industries to develop and train a skilled cybersecurity workforce. The Cybersecurity Apprenticeship Sprint is a national campaign to encourage employers, industry associations, labor unions, and training providers to explore Registered Apprenticeship as a recruitment, training, and retention strategy and connect with DOL's Office of Apprenticeship to develop new apprenticeship programs or quickly join existing programs.

# Apprenti: National Industry Intermediary and Registered Apprenticeship Sponsor

- National Industry Intermediary Contract with USDOL to promote, launch, and expand Registered Apprenticeship Programs (RAPs)
- Providing extensive technical assistance and resources to support the building of high quality, sustainable RAPs
- Apprenti also sponsors a national multi-employer registered apprenticeship program
- Two ways for an employer to get started

# 5 Components of Registered Apprenticeship

## **Jobs**

Registered Apprenticeship starts with an open job in your business.

## **Paid training**

Apprentices work, train and get a paycheck during on-the-job training.

## **Related Technical instruction (RTI)**

Apprentices complete a minimum of 144 hours of related instruction (RI) each year to gain theoretical and technical knowledge.

## **Wages**

Employer sets incremental wage increases for apprentices as knowledge and skills grow.

## **Credentials**

When training is complete, apprentices receive an industry issued, nationally recognized credential.

# Discover Why Apprenticeship is Worth the Investment

- Attract better applicants
- Instill your company's values
- More loyal employees
- Gain a more knowledgeable workforce
- Benefit from skilled workers
- Replenish your skilled workforce
- Increase productivity
- Become more competitive
- Earn a return on your investment

# Myths

- Apprenticeship is only for entry level employees
- Internship is the same as apprenticeship
- Apprenticeship will serve all my tech talent needs
- What others come to mind....

# Our Military Commitment

---

2016

Jeff Bezos pledges to hire 25,000 veterans at the White House

2021

We commit to hiring 100,000 veterans & military spouses by 2024

## Program Overview

- Apprentices are L4 blue badge, hourly employees working to bridge their technical skill gap in order to transition to a journeyworker at Amazon.
- Apprentices are provided with Instructor Led Training (ILT), followed by On the Job Training (OJT) in order to meet the Amazon technical bar upon completion of the program.
- Apprenticeship provides an alternate method of training and developing talent pipelines for candidates who might otherwise not be afforded a technical opportunity at Amazon.

## Apprenticeship Rates

Apprentices Hired Since 2017: 1,509

Apprentices Converted: 665

**Apprenticeship Initiatives:**

Active Apprenticeships: ASE, SDE, TAM, UXDR, ACC, SA, ADC Analyst, SuppEng,

STOJT Initiative: NDE, Operations Associates, SDE

Apprenti

## Apprenti

### What role does Apprenti have in the Amazon Apprenticeship?

As you know, Amazon partners with Apprenti to deliver apprenticeship in a collaborative model. Apprenti assists Amazon in meeting the Department of Labor Standards as well as providing grant support and risk mitigation, amongst other support. They are an equal partner and are interested in your success and will track your hours and conversion trajectory.

## Aspiring Security Engineer

### Application Security Review Engineer

- Designed to help fill the talent gap of cloud skilled entry level Security Engineers who meet Amazon's technical bar.
- Leverages asynchronous e-learnings, synchronous e-learnings, assigned mentors, group study, and On the Job Training.
- Application Security Review is our first cybersecurity apprenticeship, but we are considering launching an Incident Response and Vulnerability Management pathway in the future.
