

5th Meeting of the IoT Advisory Board

Agenda (times are in eastern U.S. time and are approximate)

July 18, 2023

- 11:00 AM – Chair’s opening remarks including meeting agenda and anticipated outcomes for the meeting
- 11:15 AM – Outside speaker: Chris Autry, CEO, Iothic
- 12:00 PM - Outside speaker: Paul Eisler, Vice President, US Telecom, The Broadband Association
- 12:30 PM – Informal feedback from IoT Federal Working Group (Note that some members of the IoT Federal Working Group, using the publicly available materials that the IoT Advisory Board presented in May, are providing informal feedback to the IoT Advisory Board.)
- 1:15 PM - Break
- 1:30 PM - Discussion on report of draft recommendations (including consensus approvals of recommendations in the report)
- 4:45 PM - Wrap up of the day
- 5:00 PM - Adjourn for the day

July 19, 2023

- 11:00 AM – Chair’s opening remarks for the day
- 11:15 AM – Outside speaker: Christopher Moore
- 11:45 AM - Outside speaker: Sven Dharmani, Ernst and Young
- 12:15 PM - Outside speaker: Mei Lin Fung, Chair. People Centered Internet
- 12:45 PM - Break
- 1:00 PM -- Continued discussion on report draft recommendations (including consensus approvals of recommendations in the report)
- 1:30 PM - Discussion of recommendations not ready to proceed in May
 - privacy, healthcare, public safety, connectivity, and international, public safety
- 4:45 PM - Wrap up
- 5:00 PM - Adjourn

Anticipated meeting #5 outcomes

- **Draft Report** - Review and identification of any critical edits to draft report so far
- **Draft Recommendations** – Review and identification of any needed edits to recommendations in the report (note that these were accepted in principle for moving forward at the May meeting)
- **Recommendations that were not ready to proceed in May** (privacy, healthcare, public safety, connectivity, and international, public safety) - Review progress and identify next steps for those recommendations
- **Identify gaps in report and recommendations** and plans to address those gaps
- **Identify agenda topic items** for Meeting 6 in August
