WITH THE SUPPORT OF OUR GUESTS AND DONORS WE HAVE:

Diverted
70,820,221 lbs
from local landfills

That includes:

27,912,817 lbs
of clothing and textiles

28,256,587 lbs
of household items

8,625,431 lbs
of electronics and metal

6,025,386 lbs
of books, paper, and pulp

The equivalent of **1,400** full recycling trucks!

*Statistics reflect FY 2020-2021

UNDERSTANDING TEXTILE SUPPLY CHAIN

OPPORTUNITY

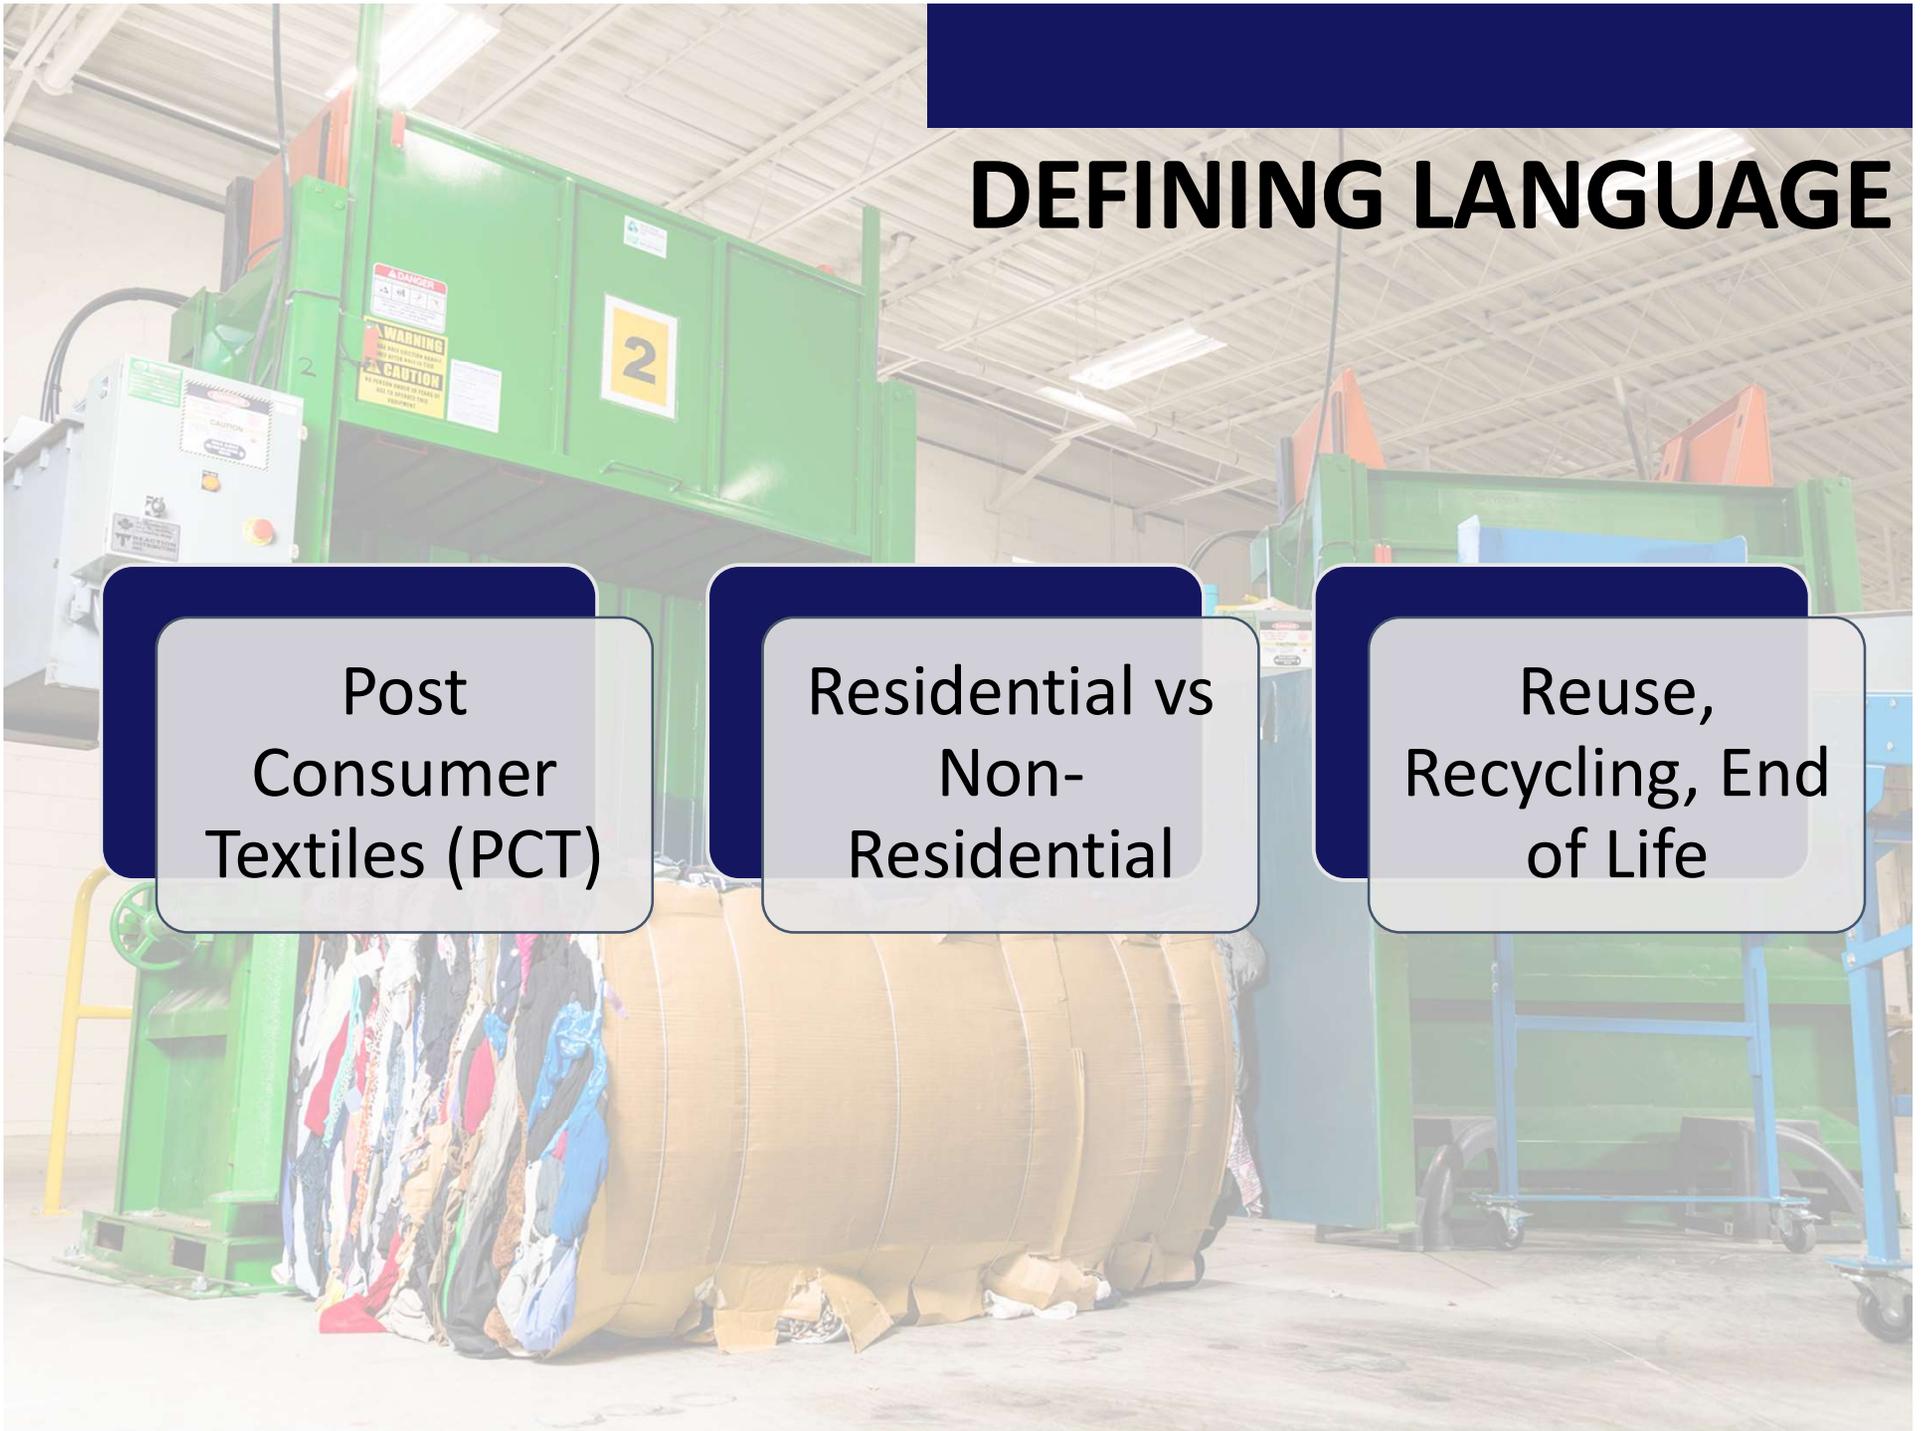

In North America it's estimated 85% of textiles are going to landfill or incineration while most can be reused or recycled in current streams (estimated 95% in Canada)

If you are speaking on behalf of SA then I would remove the NACTR logo since you speak to it in an earlier and dedicated slide. I also think this is a perfect place for that quote or "call to action/ask" as a finale.

Lindsay Robinson, 9/16/2021
