General Comment

The only way I can vote is by absentee ballot for every election. In addition more thorough information that is proven fact needs to be mailed out for every candidate including all judges. Many candidates are completely unknown especially in local elections. It is imperative that only candidates with government experience run for people to judge their work so as to avoid choosing a dangerous candidate such as Trump who has destroyed our country and killed over half a million plus people. He and his cohorts continue to kill people with their anti vaccine rhetoric and insurrectionist activities still continuing to steal money to fuel their greed against Americans who are already poverty stricken. Americans are already supporting the super rich who strip our country of its resources and steal owed taxes.
