## General Comment

I am a 71 yr.old Cystic Fibrosis and always vote Democrat .I have Cystic Fibrosis which caused my diabetes, now kidney level 3 challenges, bilary cirrohosis, and other health challenges. I know what it would be not being able to vote,at least by mail. Luckily I live in Maryland which is primarily Democrat. We all have a right to vote and so few have done it illegally. Republicans don't want that and this needs to stop. Why can't it be a Federal law for all?  
President Biden who I campaigned for needs to stop filibustering.. This is ludicrous. I like Prident Biden and Kamila Harris but nothing can get done with more progress unless mcconnel is stopped. It is not in the Constitution: filibustering.
