STATE QUESTIONS

STATE QUESTION NO. 684 LEGISLATIVE REFERENDUM NUMBER 314

This measure amends the State Constitution. It amends Sections 2, 3 and 5 of Article XI, which deal with the School Land Trust. The United States established the Trust to benefit the State's common schools and certain State universities. The permanent school fund is part of that Trust. That trust fund must now forever remain intact and the State can never diminish it. The State can now only use the trust fund's income to aid schools.

The measure changes how the State could use the permanent school fund. The measure allows the State to use more than the fund's income to aid schools. The measure allows the State to diminish the fund itself to aid schools. The measure allows the State to use between 4³/₄% and 5¹/₂% of the market value of the fund for the last three years to aid common schools.

The measure also allows the State to use more than trust income to aid the specified universities. The measure allows the State to also diminish the trust fund established to aid the universities. The measure does not set a limit on the amount of trust funds the State could use to aid the universities.

STATE QUESTION NO. 690 LEGISLATIVE REFERENDUM NUMBER 318

This measure amends the Oklahoma Constitution. It amends Sections 9 and 10 of Article 10. It affects certain school millage levies. The change is to the emergency levy, local support levy, and the building fund levy for school districts. It would allow each school district to decide to eliminate the need for an annual election for those levies. Once the levies are approved, the voters of the school district would also decide whether to allow them to continue from year to year. The vote on the levies would change only if another election is held and the voters rescind their prior action. Such an election would be held if a petition is signed or the board of education recommends an annual vote be taken.
