

NICE

NATIONAL INITIATIVE FOR **CYBERSECURITY** EDUCATION

COMPONENT 4 WORKSHOP SUMMARY

PRESENTED BY PEGGY MAXSON

Component 4 Workshop Summary

What's different now?

- Political Support - NICE stand-up
- Partnership Academia, Government, Industry
- Public Support
- Past work – consolidate and improve
- CARPE DIEM!!!

Framework = Keystone

- NICE Framework Comments and Requests for glossy:
niceframeworkcomment@nist.gov
- Too Federally Focused?
- Industry and Academia demand more involvement!
- CALL TO ACTION!!!

Component 4 Workshop Summary

NICS nics@dhs.gov for comment!

- Usability Testing:
 - Over 58 conference attendees completed usability testing
 - Name of NICS – does it characterize what NICS is?
 - Research Section is Missing – Research Library – publications etc.
 - Address the needs of the entire population: Missing retraining; senior citizens; K-12

- Breakout Sessions (Training, Education, Awareness, and Career). Common themes:
 - Vett content - User ratings? Certifications? Organizations needs?
 - Keep data updated and current!
 - Coordinate with stakeholders (Advisory Board)
 - Integrate areas (Training, Education, Awareness and Career)
 - Relevance (of training and Triage for Awareness – where do I get information?)

Component 4 Workshop Summary

Digital Literacy

- Multidisciplinary inspiration for Best Practices
- Measuring effectiveness is an identified issue.
- Fake Phishing approaches!
