

Jeffrey Nye is currently the Director of the Forensic Science Division of the Michigan State Police. He is in his 28th year with the Michigan State Police and has previously served as the Quality Assurance Manager/Assistant Division Director, DNA Technical Leader, Unit Supervisor and DNA examiner. Mr. Nye is an active member of the American Society of Crime Laboratory Directors (ASCLD) and recently served on the ASCLD Board of Directors as Secretary while chairing the Standards and Accreditation Committee. He is also a member of the American Academy of Forensic Sciences (AAFS), Association of Forensic Quality Assurance Managers (AFQAM) and the Scientific Working Group on DNA Analysis Methods (SWGDM). Mr. Nye recently represented the Michigan State Police Forensic Science Division on the Governor's Task Force on Forensic Science, an advisory body created to review the state of forensic science in Michigan.
